

My Little Pony[®]

Lullabye Nursery

Instructions

1. Open the Nursery door by pressing the button on the roof and pulling the heart-shaped door knob open at the same time. Remove all pieces from the plastic bags. Remove all pieces from runner frame. (Scissors may be necessary). Peel and apply labels as shown. (ILL. 1)

To assemble swing:

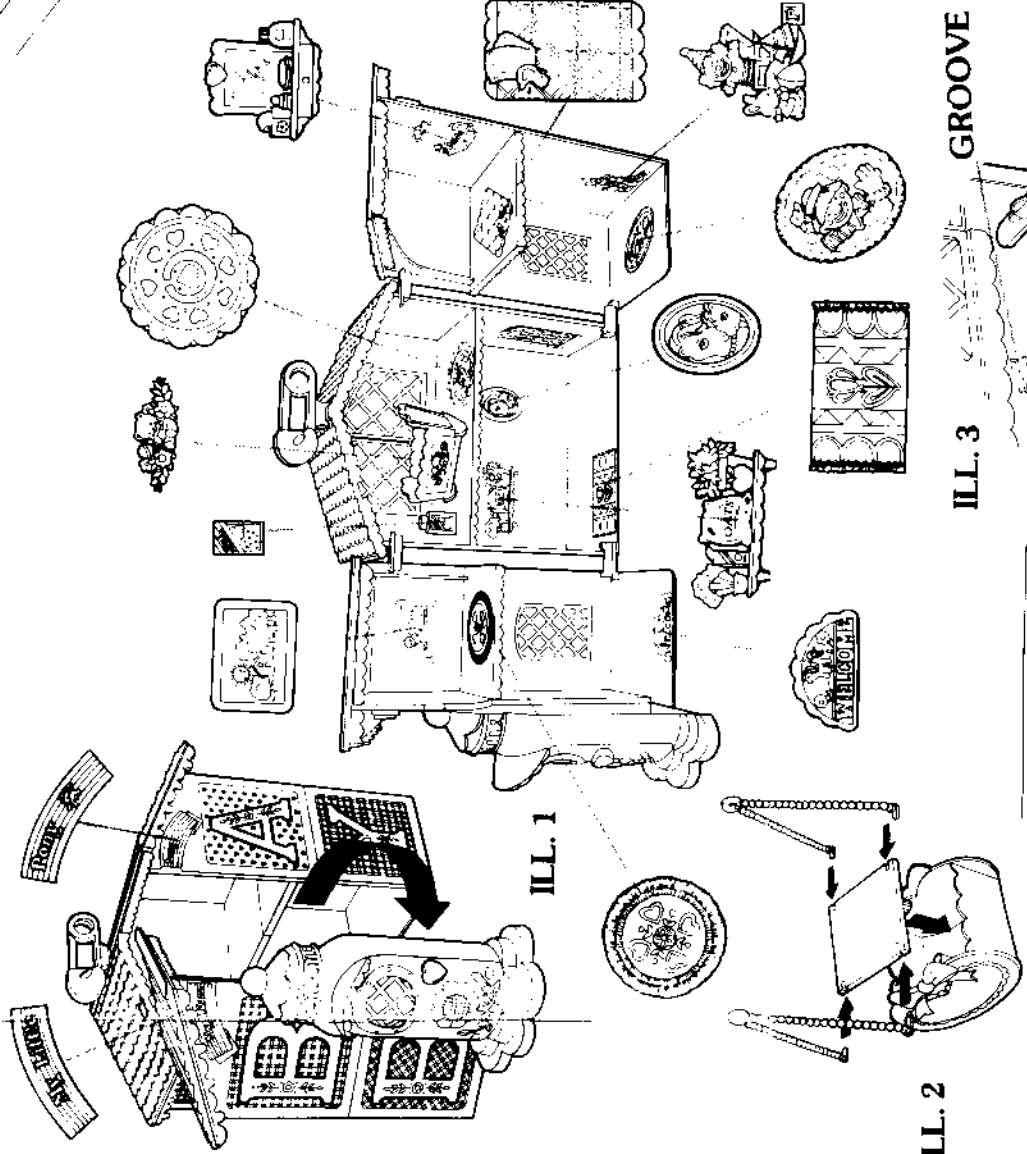

2. - Snap the beaded cords into the swing floor.
- Place the assembled floor into swing basket. Press into place. (ILL. 2)

3. On sunny days, Baby Tiddle-Winks™ likes to ride her swing high into the air outside the Lullabye Nursery! When it rains, she rides the swing indoors.

To use outside:

- Snap awning cover into awning with bow facing up as shown. (ILL. 3)
- Attach awning under large window in back of Nursery by inserting hook into groove. Slide the two side tabs into slots.

To use indoors, hang assembled swing on hooks in the kitchen as shown. (ILL. 4)

ILL. 3 GROOVE

ILL. 2

To assemble mobile, insert pin into flat side of disc.
4. Pin will come through the square opening on the other side. Then, insert mobile disc into umbrella. (ILL. 5)
