

“Look! There’s the rainbow,” she said with a spark of excitement. As she spoke, the rainbow dipped down and tied a pretty lace bib around her neck. That night, when the ponies gathered to tell bedtime stories in the nursery, Tiddley-Winks told everyone of her adventure with the rainbow.

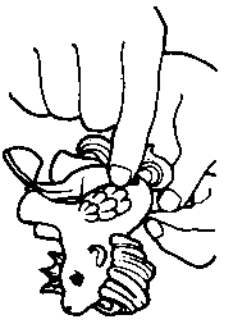

How To Diaper Your Baby Pony

1. Spread out the diaper as shown. (ILL. 1)

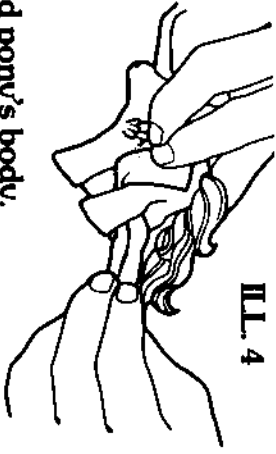

ILL. 1

3. front part of diaper up together, bringing the front part of diaper up *behind* pony’s front legs. (ILL. 3) Bring the back part of the diaper up through the *middle* of the pony’s hind legs. (ILL. 4)

ILL. 3

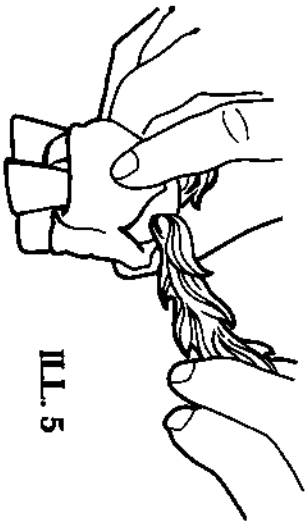

ILL. 4

2. Place baby pony over front part of diaper with hind legs resting on diaper’s curve. (ILL. 2)

ILL. 2

4. Lift the pony’s tail and run it through the middle part of diaper where it forms a V. (ILL. 5)

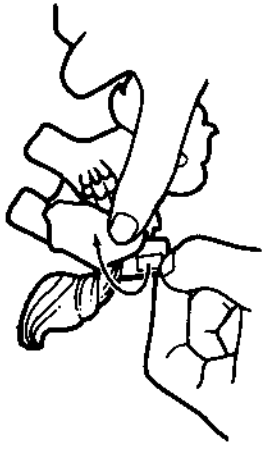

ILL. 5

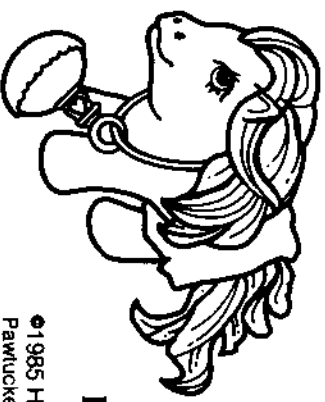

5. Wrap sides of diaper around pony’s body. (ILL. 6) Bring back of diaper up to meet each side. Attach Velcro® closures on each side. Bring together the two diaper portions in front of the tail and attach the Velcro closure.

ILL. 6

6. To hang rattle around Baby Pony, insert elastic into slot on handle, then place over pony’s head. (ILL. 7)

ILL. 7
