

Styling

There are many things you can do to make My Pretty Pony look special. Braiding her mane and tail and tying ribbons is a great way to begin! You may want to purchase more ribbon in a department or fabric store to change styles, match the color of ribbons, and to do more styles — You may want to try yarn too! Sometimes it is also easier if braids are secured with elastics (not included).

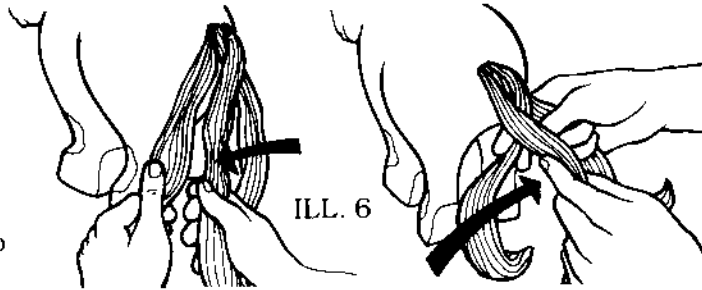

How to braid:

ILL. 5

1. Divide the hair into three equal sections. (ILL. 5)

2. Cross the right section over the middle. Now, bring the left section into the middle. (ILL. 6)

3. Continue until you reach the end of the hair. Tie with a ribbon (ILL. 7)
