

# My Little Pony Pretty Parlor

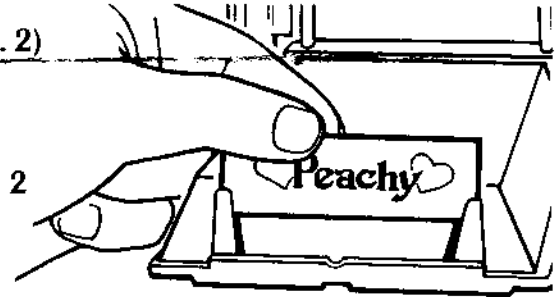

## INSTRUCTIONS

**1.** Peel the mirror label off of the paper and apply to the back wall of the parlor. Your little pony can see herself as you dress and groom her on the platform. (ILL. 1) If air bubbles appear pierce them with a pin and smooth them out.

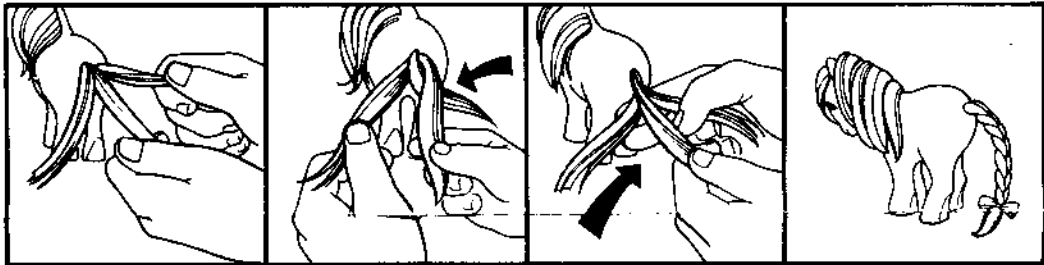

ILL. 1

**2.** Gently tear the seven pony name tags apart from each other. When you play with a special little pony, such as Peachy™, insert the name tag of that pony into the name slot. (ILL. 2)

ILL. 2

**3.** Peachy likes you to comb and brush her hair so it stays silky and soft. You can braid her hair and tie it with ribbons, too. (ILL. 3)

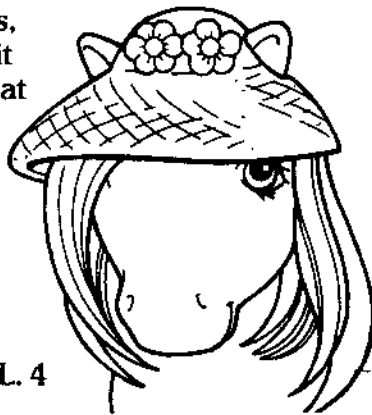

ILL. 3

1. Divide the tail into three equal sections.

2. Cross the right section over the middle. Bring the left section into the middle.

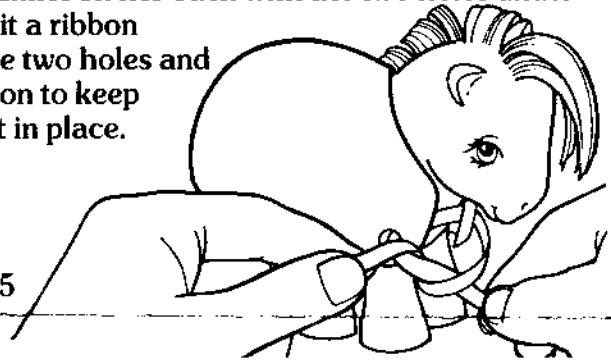

3. Continue until you reach the end of the hair. Tie with a ribbon.

**4.** There are two fancy hats, each with two holes to fit over your pony's ears. Fit a hat on Peachy and the other hat on another little pony (sold separately). (ILL. 4)

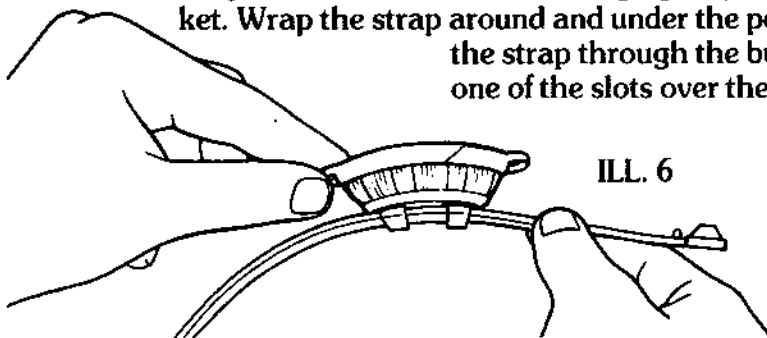

ILL. 4

**5.** The blanket keeps Peachy nice and warm. Place the blanket on her back with the two holes under her chin. Fit a ribbon through the two holes and tie the ribbon to keep the blanket in place. (ILL. 5)

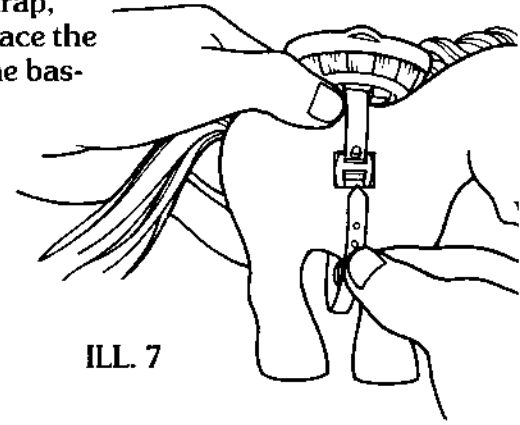

ILL. 5

**6.** Peachy likes to take Twinkles™ the cat for a ride in the basket. Fit the strap, with the buckle facing up, through the slots under the basket. (ILL. 6) Place the basket on Peachy's back with the buckle hanging only about an inch from the basket. Wrap the strap around and under the pony. Fit the end of the strap through the buckle and place one of the slots over the pin. (ILL. 7)
