

## Instructions

Remove all pieces from plastic frames. If you have difficulty, have an adult use safety scissors. Remove all pieces from plastic bags and discard bags IMMEDIATELY.

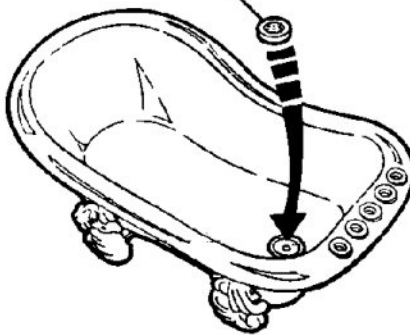

1. Locate Sea Pony™ tub leg marked "1" (found on wrong side of leg). Turn tub upside down. Locate slot in bottom of tub marked "1" (found on side of tub). Slip bar on leg into slot in tub. (ILL. 1) Repeat for remaining three legs, matching the number on the leg to the number on the tub.

ILL. 1

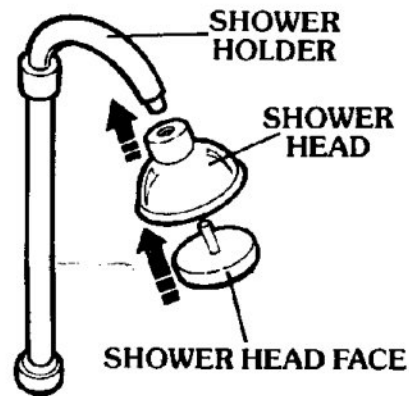

2. Turn tub right side up. Press drain plug into hole inside tub. (ILL. 2)

DRAIN PLUG

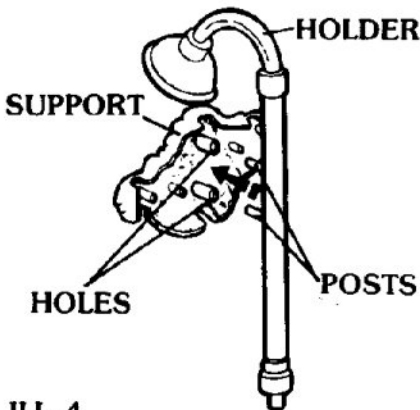

ILL. 2

3. Insert post on shower head face into hole in shower head. Attach assembled shower head to end of arch on shower holder. (ILL. 3)

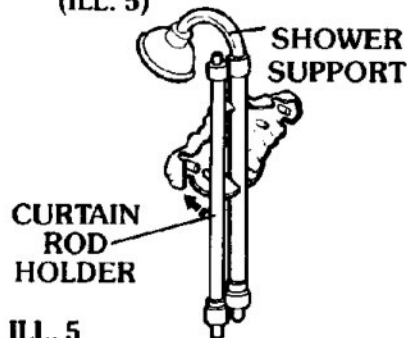

ILL. 3

4. Insert posts on shower holder into holes in shower support front. Make sure pony design on shower support front is positioned with right side up. (ILL. 4)

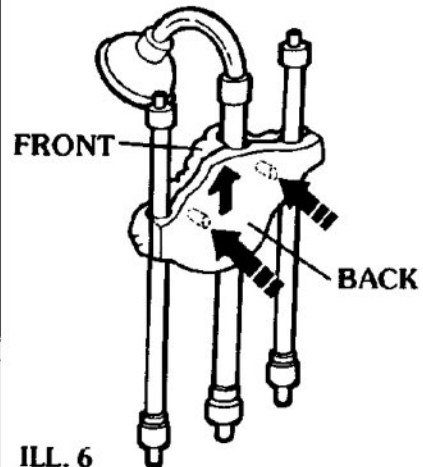

ILL. 4

5. With large end of curtain rod holder pointing down and pony design on shower support front positioned with right side up, insert post on holder into hole in shower support (extreme left or right hole). Repeat for remaining holder. (ILL. 5)

ILL. 5

6. With arrow facing up, insert posts on shower support back into holes in shower support front. (ILL. 6)

ILL. 6
