

## Sweet Perfume Beauty™ Instructions

The medallion on the left side of your Sweet Perfume Beauty is a compact filled with cream perfume! To open the compact, swing the medallion to either side. Grasp tab and peel off the covering to expose the perfume, and discard the covering. Be sure to close the compact when you are finished playing with your Sweet Perfume Beauty.

**Note to parents:** The ingredients in the Dream Beauties perfume are nontoxic and can be washed off skin with soap and water. Individuals with sensitive skin should discontinue use if irritation occurs.
